HOME TOWN: Madison, WI

HITCHED: June 2006

LONELY: Yes, very

HEIGHT: 5' 6"

WEIGHT: 118 lbs.

CHEST: 36C

PIERCED: Nothing yet

B J: My fave

GUYS: I like two at a time

ANAL: Yes, it's nice

My Midwest upbringing did not prepare me for what I would see and do when I moved to LA. I got married to my high school boyfriend and, of course, it didn't work out. Then I moved to Southern California with my girlfriend and we got involved in a lot of stuff. One of my favorite things was to have a lot of sex with sexy guys and girls. And I got to try a double penetration, as you can see in these photos!

Unfortunately, I knew the instant I got married that it wasn't going to last. I was too young and he was not hung. I guess you could call it an arranged marriage between my parents and his. After we separated, I got more adventurous sexually. Now I'm into anal, big time. Who knew fucking your butt could feel so good?

They say that 40 is the new 30. I really don't care. Do you? Look at me. A year ago I was selling cheese in Wisconsin with a hairy bush and a minivan. Now, I'm an all new person ready to take on the world. Say that you're ready for me and more like me?

Lindsay was the only one at the office when I got there. I work at a marketing calling center, where we sell our souls for the purpose of raising money for a non-profit company. I had not been looking forward to work today, but when I saw that Lindsay was in, I knew that it couldn't be all bad. Lindsay is one of those gorgeous sorority girls who wander campus, distracting all the guys and being generally unreachable. Lucky for me, I'd been able to break some ice with her over the past few weeks since she started working at the call center. She's quite tall, with shoulder length brown hair, a beautiful round face, a pair of tits that only look small because she's so tall, and two legs that stretch to an ass that is just so perfect you would think it couldn't exist.

When I entered the office, I saw she was the only one around and she looked up and smiled, but didn't say anything because she was in the middle of a call with a prospect. So I smiled in sympathy and walked back to sign in and grab a tally sheet. By the time I got back, she was done with her current call. Prospects are usually impossible to coerce into a donation, but I suspected that her unusual was due to her wonderful voice and amusingly flirtatious way of talking to people. Between calls, I checked out her awesome cleavage; through her thin white sweater, I could see a pink lacy bra which pushed her tits up and made her rack look simply divine. I asked her how long she had been working and she said about three hours and had only one left. I suggested she take a break in the snack room and she agreed. I bought her some chips and a drink and she started telling me about her calls. I listened without hearing as I was staring at her mouth moving, imagining it was wrapped around my cock.

I lost focus completely as I drifted to her wonderful ass for a second before she knelt down and put the tip of my pole to her lips. She planted a wet kiss on the engorged head of my dick, then put her lips around it and began to suck. Up and down the shaft she went, at first only part way, but gradually, she took more and more of my cock in her mouth, all the while swirling her tongue around. The sensation was phenomenal. After a minute or two, she had her nose buried at the root of my cock, while the head pushed past into the tight confines of her throat. She gagged slightly, but not enough to make her mouth release its wonderful suction. Once my whole cock was in her mouth, she paused for a second, then began to slowly move up and down. I could feel the head of my dick going in and out of her throat, which constricted in a wonderful way.

Meanwhile, she began also to play with my balls, which caused my testicles to tighten up and prepared to release a tsunami of cum. By now, she was moving her head up and down in a serious pumping motion which had me ready to explode at any second. I held back for a few more second, then released a huge load into Lindsay's mouth and down her throat. So much shot out that some spurted out from the side of her lips and dribbled down her chin. As I finished, she licked at my softening cock, cleaning the sticky spunk off of it with her tongue. It's been fifteen minutes. We'd better get back in there, I told myself. She looked mildly disappointed as she pushed my cock back into my pants. We went back in and signed on to the computers. After a few dull calls, I decided to end the boredom. While she was engrossed in talking to one of the prospects and had her back to me, I silently rolled my chair closer, reached a hand around and slid it up her sweater to her bra. She continued to talk to the prospect while I slowly began to massage her firm, full breast. She started breathing more heavily as I pinched her nipple through the lacy bra, and I heard the guy at the other end of her phone ask if she was all right. I moved my other hand under her sweater and began doing similar things to her other breast. Then I slid my first hand down over her smooth well-toned stomach and slid it down into her jeans. Realizing that my angle was all wrong to finger fuck her, I moved closer and undid her jeans.

At first I began to rub her clit through her thin panties, but as she grew more aroused she was starting to get very wet, and I slipped my middle finger into her tight hole while my thumb remained on her clit.

Moaning softly with pleasure, she slightly lifted her ass off the chair so that I could slide her jeans down her legs. As I did so, I saw a pink bikini thong that matched the bra I had been glimpsing all day. Now, with her jeans around her knees, my hand had full access to her crotch. At first I began to rub her clit through her thin panties, but as she grew more aroused she was starting to get very wet, and I slipped my middle finger into her tight hole while my thumb remained on her clit. I was now fully finger fucking her beautiful pussy, and she was thrusting her hips into my hand in time with my fingers thrusting into her. It wasn't long before she began moaning and panting heavily; then she came. Her cunt tightened around my fingers, and a gush of her fluid soaked my hand and her panties as I slowly removed my fingers from her.

We stood up, and she came to me for an intense kiss. Then she turned around and leaned over her chair, sticking her ass up at me with the pink thong running down her luscious crack. I pulled the thong down to her ankles, and she stepped out of it and her jeans while wiggling her ass at me. I playfully smacked her bare ass cheek, and she squealed a bit. I undid my jeans and pulled them down with my boxers, letting my cock spring free of its confines. I rubbed it up and down her ass crack for a moment, the moved the tip down to her glorious pink lips. I rubbed my dick into her cunt lips for a moment, then slowly pushed the tip into her tight fuck hole. She moaned as my cock first entered, and I paused, enjoying the sensation of my cock in her. Then, in one swift motion, I shoved my entirety into her.

I began to thrust my cock in and out of her tight snatch, marveling at the hot wet tunnel as it grasped my shaft. She was thrusting her hips back to meet mine as my balls slapped against the back of her thighs. She was moaning and gasping in pleasure as I reamed her tight cunt with my big cock. Then I felt her start to come. Her twat started to contract around my dick, and she let out a cry and began a massive orgasm. Her cunt clutched tightly around my pole, and I felt my balls tighten up as I began to blow another huge load into her. It felt like I let out a gallon of cum into her while her cunt

milked it all out of me. I pulled out of her with a wet plop and a glob of cum started to drip out of her. I helped her up and caught some cum dripping from her twat and brought it to her lips. Again, she greedily sucked my fingers clean, while I pulled off her sweater.

She stood in front of me in only a bra, and I quickly helped her discard that. I bent down and put my lips to her quarter sized light pink nipple and sucked. I gave some attention to her other tit with my hand, rolling and pinching the nipple until she was again moaning and panting. I decided I wanted to do more with these perfect mounds. "Sit down," I said. "And cross your arms over your chest." She quickly understood that I wanted to titty fuck her. With her arms holding them together, her tits made a perfect tunnel for my cock, and I slid it up between her cleavage. Our mingled juices made a perfect lube, and I started to thrust my cock between her tits. Lindsay lowered her chin and slurped at the head every time it came up over her collar bone. While I was fucking her tits, she looked up at me and started talking dirty. "I bet you want to fuck my ass too, don't you. Yeah, you want to fuck my ass?" I smiled and nodded, then I came again, all over her tits and face. I stepped back and she began to writhe in the chair, rubbing my cum into her tits, and licking her fingers. I turned around and grabbed my soda, which I had gotten from the vending machine and took a long swig.

I turned around and saw her bent over, her ass in the air towards me, looking at me while she fingered her clit. I broke out of the hypnotic trance her swaying ass had put me. Then I sat down in my chair and motioned her over to me. She came gladly. I turned her around and she sat down in my lap, and turned slightly while I kissed her. My shaft stuck out between her legs, and she started to slide back and forth with my pole between her lips, sliding back and forth, covering my cock with her lubricating juices. I put my hands under her arms and lifted her slightly, and positioned my cock at the entrance to her puckered rosebud.

Slowly I lowered her down, and pressed the tip of my cock into her anus. When the head popped past her tight sphincter, she gasped and let out a slow moan. God it was tight. I continued to lower her down onto my rod, inch by long inch sliding it into her incredible anal cavity. When I was about half way in, I had to put my hands on her shoulders and start pushing down. At this point, she was beside herself with my huge cock stuffing her bowels. I could tell she was already nearing an orgasm. With one final shove I pushed her ass down and stuffed my cock in to the hilt. She went overboard. When she started to come down a bit, I lifted her up again, then let her slide back down my cock. Slowly, slowly, I pulled her up till just the tip of my dick was in her, then let go, letting her own weight pull her down onto my cock. As her ass loosened up a bit, she began to lift herself up and down, until she was actively fucking my hard pole. As she pulled up, her ass tightened, and it felt very much like my cock was being sucked; it was fantastic. I again began to rub her clit, and moved my other hand to her big, bouncing tits, rolling and pinching the nipple. Then she came. Her asshole clamped around my cock so hard I thought I might never get it back, but she kept bouncing on my pole, and the suction became even more intense. I felt myself cumming, and then I erupted. I spurted a huge glob deep into her insides, then another, and another, jet after jet of thick sticky jism. Gradually, she settled down, and sat back into my lap, with my softening cock still up her poop shoot.

I looked up and saw that shift had been over for about fifteen minutes, and we had only another ten before people started coming in for the next shift. We signed out. I asked Lindsay if she wanted to head off to my dorm where I had some interesting ideas waiting...

As the camera shutter fired, we relaxed ooutside and felt our passions rise. What else could we do? Her fingers got busy as they roamed over my body. My pussy needed attention and she responded so well. I was so hot and my pussy needed to be filled. I wanted her mouth, her long tongue on my pussy. I wanted her to fuck me with that hard dildo in my ass.

Party girl

I was at a party with a big group of guy friends and girl friends and my wife, Kaiya. I'm a shy guy, but we ended up all playing a game of dares with one rule. The dares had to be done, no backing out. I didn't like the idea, but after an hour of funny and silly things, drinking games and stuff, things became a little spicy.

First, the guys were dared to reduce themselves to boxer shorts, only which the girls loved. I kept catching my wife staring at this other guy's cock bulge which was clearly large – extra large. Kaiya was dared to kiss one of the guys which I didn't like the idea of, but it was only a dare so I didn't really mind but it went on for a good minute and I started to get annoyed – and jealous. Other girls were dared to have a feel of all our cocks, one dared to kiss them all... some of the guys started to get hard and the guy with the extra large cock, his cock started to poke out a bit as it got hard. Kaiya moved closer to him much to my disliking.

As dares went on, my wife was dared to suck on of the guys cock for 30 seconds. I argued against it but it had to be done. So I'm sitting watching he suck another guy's cock in front of a group of friends. The worst dare came, when she was dared to get fucked for minute by this guy with the massive cock. I was upset as I watch her expose her boobs and pussy and gently sit on this huge cock as all these guys were watching. They ended up fucking for five minutes since they didn't stop.

I didn't think she would have ever get naked in front of them, never mind cheat on me as get fucked while I watched. Then she was dared to get her asshole poked by me which I did with pleasure as I stroked my cock with the other hand. It felt odd with people watching and other guy's rubbing their cocks while they watch Kaiya expose her asshole for everyone to see – and be poked.

So the dares ended and we argued a little, then went back into enjoy the party. I got really drunk and passed out in one of the bedrooms. I woke through the night so hungover, and heard some people downstairs still enjoying themselves. But I also heard people having sex next door, the moans and groans, and bangs. I started to jerk off a little. They were still fucking thirty minutes later so I went downstairs to see who was still up, but couldn't see Kaiya. I went back upstairs and gently pushed the door open to another bedroom to see her getting fucked in the ass by the guy with the huge cock.

Somehow she seemed to get the worst of the dares, everyone else's were milder, but for some reason she was getting all these dirty dares. If we go to another party like this I may have to find a chastity belt to put around her. Or maybe I'll leave her home and be just one of the guys.

Lonely no more

Michael had tried for six weeks to get me to meet him. We had met at an office party but I was married and not interested. At first I just deleted the messages: after all, anyone with the username 'long boy' was probably nothing but trouble. Then I started responding just for something to do and the exchanges were fun and a little hot. I had just joined a dating sight after a year and a half of being separated from my soon to be ex-husband and I thought I knew what I wanted. Believe me, this but it made me laugh so I thought what the hell. He was bold and had a confidence that made me curious. What the hell soon became my daily mantra until I agreed to meet him early one morning just to see if he could back up his bravado.

We met in the parking lot of the coffee shop around the corner at eight am, a safe place that early in the morning. I pulled in to the parking spot next to him as he was just getting off of his motorcycle. He was fully leathered as he walked toward the car. I will never forget the swagger and the tilt of his head as he was looking at me. I was immediately turned on and wet. He exuded raw male sexiness. Then he looked at me with those eyes. Eyes that I now know change with his mood. Eyes too blue to resist. We chatted for all of fifteen minutes before we were making out in my SUV and he was holding my ass and my hand was on his jeans feeling his cock. So many things he had boasted and I had shot down, now only to think he was right in his audacity. I left there hoping for another meeting but not sure if it would happen. The next text he sent me was just as daring, "Do you want to be my slut?" it read. I never hesitated and agreed to meet the next morning for more than just a touch and grab session.

This time we agreed to meet at a new motel that opened near the freeway. I was the first to arrive so I had time to prepare. I was nervous, excited and terrified, but more than that I was turned on by just the thought of what was about to happen. I heard him pull in, the distinct sound of his bike just added to my eagerness. I had thought long on what I would wear and opened the door to him in silky Victoria's Secret panties and a wife beater tee. He looked me over, smiled, kissed me and began to undress. No need for small talk we were there for one purpose and that was the only concern we had. He laid me back on the bed and when his head went between my

legs I thought I would explode. His mouth did wondrous things, it had been so long and I had thought I would never have that feeling again. He raised his head, lifted my legs to my shoulders and slid into me. That thick, proud, beautiful cock was all that he had promised. As he pounded my pussy I would like to say I thought about how I had no regrets, but there were no thoughts in my head other than "fuck me, please fuck me"! For the first time in more than a year, I came. It was intense and deep and powerful, my whole body shook and convulsed, and while it fulfilled the immediate need it also left me wanting more. I had so much time to make up for and I was ready to feel like this again and again.

I left that motel not

knowing if the relationship would continue, if I was worthy of being his, but knowing he had me to use whenever he

wanted. I was a phone call away. After a year, I can now say that I was indeed worthy and he has opened up so many doors and experiences for me. Divorce was a good thing.

Balcony voyeurs

I was vacationing with my wife at one of those couple's resorts in the Caribbean and I have a story that your readers may like. It was our third night there and we had just finished a late dinner. we went back to the room, which like many others, overlooks the pool area. The pool was deserted except for a couple young ladies still laying back on the beach chair. I was sitting on the balcony taking in the warm breeze when I noticed them. As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl, knelt down and pulled her friend's bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight. I called to my wife to come see this.

She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks right behind me and slides her hand down my loose pajama pants. She starts stroking my semi-hard cock and brings me up hard immediately. She lets go for a moment to pull by jammies just below my butt so my cock could free itself. She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few minutes I hear one of them moaning as is she is coming and then I let a moan out as I cum right after her. I spew it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!

– David, Memphis

Toeing the line

I've been a leg man my whole life. As a freshman in college I remember my first fascination with legs. By the time I was a senior I had fucked twenty coeds and loved all their forty legs. Now I'm in my late thirties and gorgeous gams just drive me nuts, I barely think about boobs and pussies. It's all legs and toes.

I just love to suck toe. That's ten tiny delectable digits I can put in my mouth and work them with my tongue and suck on them as hard as I want because it rarely hurts the girl. The toes have to me nicely manicured and if she has just been to the salon, I can still smell the toenail polish and that is an even bigger turn on.

As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl, knelt down and pulled her friend's bikini bottom off and started licking her pussy.

Now, because of my "fetish" I have to be careful of who I try to sleep with. So, I tell all my potential partners right up front that I love toes and legs and you would be surprised how many are either into it or want to try it. Many of them say I'm the best lover they have ever had because I'm not all about their breasts and vaginas.

Since I rarely fuck a girl anymore, I like to have my cock massaged and masturbated by their feet. There's nothing lovelier than to see ten toes down there stroking my rod. And many times she'll be willing to stick her toe in my asshole more so than her fingers or tongue, so I can get that extra little favor, too.

So tell your readers that we leg men are out there and proud.

kelly kline

Twenty year old Kelly is not as innocent as she looks. But she is that sweet. Just look at her. Now you can fantasize.

She says her father did background checks on the guys she brought home because she always liked to date bad boys.

"I still like bad boys, but now I'm much more selective. Now I think I like a man more if he is kind and courteous and makes me feel good about myself. But they're harder to find than bad boys."

"I haven't had a girl for a lover yet. I'm not opposed to it, but I see girls more as friends than lovers. I can't quite see licking a pussy because I love to suck cock. I was voted 'Best Little Cocksucker' by the frats at my college. It's a badge I wear proudly and it gets a lot of boys interested in me real fast! Besides, it's fun!!! I have some little tongue tricks that I do that drives the guys crazy.
